# Job Hunting Prompt Report

With an educational system that fosters the ability to fulfill dreams and strong cooperation with industry, we support foreign students to find employment in Japan.

In the increasingly tough job market due to COVID-19, we would like to introduce some of our 2022 graduates, as a result of their efforts, have quickly found employment.

## Car Design

**TCA** Tokyo Communication Arts College  
Car Design Course / 4th Grade

**C.N.**  
(Country・Region : Korea)

Company : Mazda Motor Corporation  
(Occupation : Car Designer)

### [Student Voice]

When I received the job offer, I had a sense of accomplishment that the efforts I had made so far were not in vain, my dreams had come true. The experience I gained from my failures became a driving force for my growth. I will continue to move forward without fear of failure!

**TCA** Tokyo Communication Arts College  
Car Design Course / 4th Grade

**W.H.**  
(Country・Region : China)

Company : Toyota Motor Corporation  
(Occupation : Car Designer)

### [Student Voice]

The sense of responsibility and pressure that I have developed since receiving the job offer has been a good driving force for my growth. As a digital modeler, I would like to experience various things and do my best to study design in order to create attractive automobiles.

**TCA** Tokyo Communication Arts College  
Car Model Course / 4th Grade

**C.G.**  
(Country・Region : Korea)

Company : SIVAX INC.  
(Occupation : Digital Modeler)

### [Student Voice]

When I received the job offer, I felt that all my hard work over the past three years had finally paid off. I am very happy. Of course, without the cooperation of the teachers, I don't think it would lead to the current results. With gratitude, I would like to continue to be active on the stage of the automotive world with all my might.

## Animation・CG・Design

**TCA** Tokyo Communication Arts College  
Animation Course / 3rd Grade

**V.K.**  
(Country・Region : Indonesia)

Company : Yostar Pictures  
(Occupation : Animator)

### [Student Voice]

I will be in charge of creating anime images at my future company. I have been working hard to work in Japan. I was very happy when I got the job and I had the feeling "I can continue to do my best in Japan!". More than anything, I was most happy to be able to report to my parents that "I got a job in Japan properly!"

**TEC.C** OCA Osaka College of Design & IT Technology  
Animation Course / 3rd Grade

**R.W.W.**  
(Country・Region : Indonesia)

Company : AURA Inc.  
(Occupation : 3DCG Designer)

### [Student Voice]

I received a job offer from the company of CG artist Mr. Shirakawa, who works on many famous works like game development, production, Vtuber production, web design, etc. As a 3D character designer, I would like to test how far I can go in the Japanese creator industry.

**TEC.C** Fukuoka College of Design & Technology  
Animation Course / 3rd Grade

**K.S.**  
(Country・Region : Korea)

Company : MAD BOX  
(Occupation : Animator)

### [Student Voice]

I got a job at a major animation production company which created "Cardcaptor Sakura" and "Chihayafuru" etc. I will be in charge of colorize the characters and making "finishing touches". In the future, I would like to become a color director, operate the colors of entire work and bring the characters to life with colors.

**TEC.C** OCA Osaka College of Design & IT Technology  
CG & Video Creator Course / Alumni

**S.X.**  
(Country・Region : China)

Company : Access Games Inc.  
(Occupation : CG production creator)

### [Student Voice]

The reason of receiving high evaluation for my portfolio was the support provided by the teachers after graduation. At my future workplace, I will be in charge of CG production such as character design, modeling and texture. I'm looking forward to it now.

**TEC.C** OCA Osaka College of Design & IT Technology  
CG & Video Creator Course / 3rd Grade

**C.S.**  
(Country・Region : Korea)

Company : Adglobe Inc.  
(Occupation : Motion Designer)

### [Student Voice]

I didn't forget to improve my skills and Japanese proficiency while I was on a leave of absence from the school for two years due to the military service. I am very happy that my efforts paid off and I have been able to get a job quickly! As a character motion designer, I would like to create a game that everyone can enjoy more.

**TEC.C** OCA Osaka College of Design & IT Technology  
Graphic Design & IT Course / 3rd Grade

**N.K.I.**  
(Country・Region : Indonesia)

Company : Ralph Creative LTD.  
(Occupation : Graphic Designer)

### [Student Voice]

It was difficult to balance part-time work and studies, but thanks to the scholarship I received. As a Rotary Yoneyama Scholarship student, I was able to get a job without giving up. I cannot thank all the teachers enough. I was taught "not just having skills, but if you work hard every day, it will lead to good results absolutely."

## Game・IT

OCA Osaka College of Design & IT Technology  
Game Graphics & Characters Design Course / 3rd Grade

**L. Y.**

(Country・Region : China)

Company: BeXide Inc.  
(Occupation: Character Designer)

**[Student Voice]**

I participated in "JIKEI COM Game & e-Sports SHOW" and I got an invitation from a company. I am grateful to the school for giving me this opportunity. I will be in charge of character design and game CG at the company. I want to hone my skills after joining the company.

Nagoya College of Design & Technology  
Game Programmer Course / 3rd Grade

**E. M. O.**

(Country・Region : Nigeria)

Company: Dandelion Co.Ltd.  
(Occupation: Engineer)

**[Student Voice]**

I also studied IT programming languages such as PHP using the W major program, and I was able to get a job offer as an IT engineer at my desired company! I will do my best as a working professional from April.

Tokyo Communication Arts College  
Game Graphics & Characters Design Course / 3rd Grade

**H. S.**

(Country・Region : Korea)

Company: D.A.G Inc.  
(Occupation: 3DCG Designer)

**[Student Voice]**

The day I received the news of the job offer by phone, I slept soundly for the first time in a really long time, thinking about all the hard days I went through and the grateful teachers, and thinking, "Finally, the goal!". I was relieved to get the job offer.

Tokyo College of Anime and e-Sports  
e-Sports Pro Gamer Course / 2nd Grade

**F. Y.**

(Country・Region : Indonesia)

Company:  
Business Management Consulting, Inc.  
(Occupation: Production staff)

**[Student Voice]**

During my internship, the seniors in the workplace were always kind to me, which helped to ease my nerves. I was happy because I was most concerned about being able to enjoy working with senior staff at my workplace. I will work hard to gain more experiences at the company and fulfill my dream of playing an active role in the Japanese e-Sports industry.

Tokyo Communication Arts College  
Game Programmer Course / 3rd Grade

**L. Y.**

(Country・Region : China)

Company: Classix Co.Ltd.  
(Occupation: Unity engineer)

**[Student Voice]**

I was able to get a job from Classix Co.Ltd. Receiving a job offer is the first step for me to enter the IT industry in Japan. I will do my best to accumulate expertise and acquire a higher level of technology.

Tokyo Design Technology Center College  
Programmer Course / 3rd Grade

**S. E. J.**

(Country・Region : Philippines)

Company: Retty Inc.  
(Occupation: Programmer)

**[Student Voice]**

I was offered a job at a company that operates the "No. 1 real-name reviews gourmet service site." In the internship, I actively communicated with the team members and voluntarily made an effort to catch up. I am aiming to be a cool engineer who can play an active role in a wide range of fields.

## Music・Movie

Tokyo School of Music, Shibuya Campus  
PA Engineer Course / 2nd Grade

**P. W.**

(Country・Region : China)

Company: TOKYO SANKO Co. LTD.  
(Occupation: Sound Engineer)

**[Student Voice]**

Although the time for job hunting was limited by COVID-19, I was finally able to get a job thanks to the school's job hunting measures and the support of the teachers. I was lucky, but I think I was able to get a good result because I worked hard and did not give up until the end. From now on, with a high ambition, I will continue to play an active role by making use of what I have learned at school.

Broadcasting Arts College  
Movie TV Production Course / 2nd Grade

**Z. E.**

(Country・Region : Russia)

Company: TREE Digital Studio Inc.  
(Occupation: Video Colorist)

**[Student Voice]**

I was in the charge of a short movie's directing, producing & performance in a corporation project, received high evaluation from the hiring manager, and I was able to take the employment exam. My dream is to become a film director who can play an active role globally and make comedy films that can make people all over the world smile.

Tokyo Film Center College of Arts  
Movie Production Technology Course / 3rd Grade

**C. H.**

(Country・Region : Malaysia)

Company: GLADSAD CO. LTD.  
(Occupation: DIT)

**[Student Voice]**

I found a job at a company where I could work as a DIT, setting up cameras for use on set, checking exposure of images, and so on. I consulted with the teacher at the Career Center, I said "I want to go to the shooting site, I want to do color grading too" and I did my best in job hunting process. My parents were the first ones I contacted when I got the job offer, and they were very pleased. From now on, I would like to continue to learn various knowledge at the shooting site and become a full-fledged person as soon as possible.

## Hotel・Cooking・Eco

Osaka College of Eco and Animals  
Aquarium・Aquarist Course / 2nd Grade

**K. S.**

(Country・Region : Korea)

Company: UWS ENTERTAINMENT  
(Occupation: Aquarist)

**[Student Voice]**

At the beginning, it didn't go well because the aquatic plants in the aquarium withered due to the wrong management. However, without wasting my efforts until now, I reset everything once and started from scratch, then I was able to make an aquarium for the event exhibition. I have learned that the experience of continuous efforts became my self confidence and if I do my best at any time, the results will follow neatly. I think that I was hired because in the UWS recruitment training, I clearly expressed to the company my firm values and what I want to be in the future, and especially I worked thinking that it was an opportunity to experience the things I like.

Osaka College of Culinary Arts  
Hotel Resort Cooking & Confectionery Course / 2nd Grade

**M. N.**

(Country・Region : Vietnam)

Company: Swissotel Osaka Nankai  
(Occupation: Kitchen staff)

**[Student Voice]**

In my second year, I met Chef Matsuda of Swissotel Osaka Nankai in the "Cooking Techniques" class. I've learned various experiences and cooking techniques from him, and I thought "I want to be a cook like Chef Matsuda!" Thanks to the teachers, I was able to improve my Japanese and cooking skills. Thank you for the wonderful class!

Fukuoka Wedding and Hotel, Integrated Resort College  
Cabin Attendant Course / 2nd Grade

**M. J.**

(Country・Region : Nepal)

Company: Grand Hyatt Fukuoka  
(Occupation: Hotel Staff)

**[Student Voice]**

Airline industry faces tough times due to COVID-19. During my job hunting, when I was troubled, I listened to the advice of my teachers and talked to friends, and I had confidence in what I had studied so hard and did not give up until the very end. I am deeply grateful to the teachers and friends who supported me. Having a dream is very important. Dreams have a big influence on your lives. To make your dreams come true, please reach out to your teachers and friends around you when you are troubled or in need of help.
