streets of Taiwan where was once called the "Beautiful Island," this drama depicts the emotional exchange between Japan and Taiwanese people beyond the 'Border' and the 'Time' in a poetic way, and it was deeply moving that only Ms.Wu, who had studied in Japan, could understand the process in which Taiwanese and Japanese staff gradually untied and created good works across borders.

Wu, who has experienced internship at the movie 'Manhunt' with Fukuyama Masaharu as main, was a student looks quiet but with high goals and strong will. The Far Eastern TV Entertainment is a production that takes on location and coordination of Japanese TV shows such as 'Moyamoya Summers2', 'Ariyosi Semi', 'Sekaino hatemate itteQ'. Wu is excited to become the bridge between Japan and Taiwan by making use of skills and techniques learned in Japan at movie industries.

EMPLOYMENT REPORT

Got a job at Editing Company!

Tokyo Film Center College of Arts
Video Edit Course (Graduated in March 2020)

THIHA AUNG

Myanmar Jishuugakkan Japanese Language School

Digital Egg Inc. (Commercial Editor)

Attended Joint company information session hold at school

I have gotten employment at a Commercial Production Company.

I joined the company in April, and I'm working hard at productions department to make my online editing skills better. Thanks to the teachers and staffs at school, I have successfully employed in Japan. At school, I tried my best not just learning editing techniques, but also filming with friends, and being involved to work with Lecturer who works as professional cameraman.

I will work on video editing in Japan. Also, I will try my best to succeed in Hollywood in the future.

GHALE SANDIP KUMAR

Nepal International Animation College

Hilton Fukuoka Seahawk (Hotel Staff)

Kumar admitted to the school with the mind of learning Japanese hotel service. He was always bright at school, and was friendly with both International and Japanese students, mentioning 'School life was very fun'. For two years, he has taken classes and training seriously, and learned best hospitality. He has gotten unofficial offer from major hotel 'Hilton Fukuoka Seahawk' early on. Kumar said 'I'm really happy to receive an unofficial offer from a major hotel. I would like to serve customers properly as a hotel staff from now.' We hope that many customers will become happier through his hospitality. Also, one of his friends, a international student is decided to work at Grand Hyatt Tokyo, which we think was the result of both of their efforts to improve each other during the school life.

◆Reason for choosing the company that gave unofficial offer

When I intended the 'New menu tasting & competition', the staff always gave me cheerful and pleasant services. "Of course the bread was delicious, the atmosphere of the staff who made the bread was very good, and it seemed to be conveyed to the customers, so I was impressed and decided to apply a job here."

◆Trying on actual work

It's hard learning new things, and having big amount of tasks to be done. However, I have worked part-time for 6 months before joining the company and remember the types of bread, so I am proud that I can get used to my work quickly.

◆Future goal • Enthusiasm and Dreams

In four years, I will gain a lot of experience and work hard with the goal of lining up my own bread!

HSIEH BAI CHUN

Taiwan Human Academy Japanese Language School (Saga)

Hilton Okinawa Sesoko Resort (Chef)

I decided to study in Japan in order to become a Japanese chef.

While at school I was able to learn not just Japanese cooking but also western and wide range of other cooking skills.

Also, at 'Corporate Project' which take on product development with the corporate, by combining the techniques I have learned so far, the original dishes developed by myself had been commercialized. I have received unofficial offer from famous corporate, and will work hard as a chef in Japan. In the future, I would like to return to Taiwan and open my own shop.

Graduation ceremony of 2019, due to the influence of COVID-19 infections, took place very differently from the past year, ended in quite special way. Because of this globally rare disease, this year's graduation ceremony was truly memorable.

For preventing the spread of infection, ceremony was taken separately by major at TECH.C.'s campus. Although it was done with small number with everyone wearing mask, the graduates eyes were shining with happiness.

Liao Tsu Hsiang from Taiwan, said 'I was very happy to have great graduation ceremony at this hard times. I am currently in training, but thanks to the W major curriculum, I was able to study something other than my major, and it was very useful for job hunting. It remind me the truth that making 'hobby' to 'job' was really great.' Graduation ceremony was last class to graduates, but also a new start. We hope they make good use of knowledge and skills learnt at school, and play active roles in the world!!

Three years have gone by in a flash.
It was the most glamorous period of my life..
Meeting these great colleagues and teachers is my treasure for life.
It was sad that this year's graduation ceremony was not held at wide hall and without parents and guardians due to COVID-19 infections.
But within these hard times, thanks to the school preparing awesome ceremonial stage, we were able to have unforgettable graduation with everyone laughing, crying and warm atmosphere.
Since I have graduated now, I joined a production company as an actor(voice actor), I'm aiming to become a versatile entertainer giving audience smile with many amusing acts.

JO MINSEO

Korea Yaksa highschool (Overseas direct enrollment)

While I watched the video of the entrance ceremony, I was filled with joy that I was finally able to enter my favorite school, and I wanted to study hard from now on so that I wouldn't be a student who would be ashamed of my teachers!

I have always wanted to study in this school long before entering this school. From now on, I will become a member of my favorite school and work hard to become a professional in the industry, so I am filled with tension and anticipation!

As the headmaster said, I will care of taking communication with friends and teachers and become a voice actor connecting Japan and Korea's animation industry, ending up being part of a piece co-produced by Japan and Korea.

Online Entrance Ceremony 2020 of Kansai Area

OSM Osaka School of Music

GAOSHANG, Graduate Representative

On April 16th(Thu), entrance ceremony of Kansai area was held online. In this year, total of 87 foreign students from 14 countries entered the schools. To prevent COVID-19 infections, it was done in the shape of online streaming. In OSM's online entrance ceremony, GAOSHANG from China represented the graduate student, presenting about corporate projects which was accompaniment music production. Accompaniment music, is music used for movies, drama, stage act, animation etc. This project was given by IAS and Media Pulpo. Within three designated weeks, GAO has completed the pieces successfully, got high evaluations, and was able to build strong relationship with the director. "In the future, I would like to become a creator not just working in Japan, but globally!" It was a great presentation, showing strong will. There were some students who intended the ceremony overseas due to immigration restrictions to prevent COVID-19. There might be some worries, but let's get through together! We are excited to see new comers at school campus. Let's experience a lot, and learn a lot together! Congratulations on entering the school!

2020 ONLINE Entrance Ceremony

TSM 渋谷 DA Tokyo School of Music, Shibuya Campus
Tokyo College of Dance and Acting

The entrance ceremony is held every year in conjunction with sister schools in the entertainment, design, animal, computer technology fields, etc., but this year it was held in the form of ONLINE at the live hall of the school in consideration of the safety of new students.

The 1st Year students participated from home on the web. There were worries due to unfamiliar stats but thanks to the cooperation of the freshmen, it was able to be held without problems.

It was a very good ceremony because there're congratulatory messages from famous educational advisors on video and cherring messages from seniors who are active in the industry and have fulfilled their dreams.

For those foreign students who enter the school from all over the world dreaming of "acting in the entertainment industry in Japan", we will always support your dreams! Congratulations on your admission again!

School life is momentary! Let's run through with full throttle!

DELTA DARWIN

Indonesia Japan Tokyo International School

Tokyo Communication Arts College had online Entrance Ceremony on April 13th(Mon), with 163 foreign students entering the school out of 520. It usually would have been held at big stage with live presentation of senior student's previous works, but due to the influence of COVID-19 infections, it has been done by online streaming. We interviewed Delta Darwin about the entrance ceremony.

"Honestly I was worried about participating entrance ceremony, so I was relieved when I know it will be live streamed. The presentation was fluent. I was happy to watch products of senior students and teachers through streaming. For future goals, I would like to become a creator that can influence people globally, and learn new knowledge and techniques."

It might be hard with different culture and language, but let's work towards achieving everyone's dream.

HO YUN TING

Taiwan ECC Japanese Language School Nagoya Campus

Entrance ceremony of Nagoya College of ECO and Animals was held on April 14th(Tue). Because of COVID-19 infections, new students have attended by live stream. One International student enrolled in Nagoya College of ECO and Animals. At the entrance ceremony, congratulations and presentations were given by honorary educational advisors and school principals and graduates.

Ho Yun Ting who have admitted to Dog Life Support Course, likes dogs very much. But, she felt sad when found out some pets were thrown away by owners due to poorly disciplined. So Ho started to think about studying dog training in Nagoya ECO. She said, "My dream for the future is to open my own shop in Taiwan and increase the number of happy pets by consulting with pet owners about their discipline." There must be difficulties in school life in Japan, but we hope Ho can turn everything into strength and work hard toward her dreams.
